Scoring

Scoring is based on the number of racers starting in each category. First place will receive 1 point for each racer in their category and points will decrease by one down to the final finisher. There is no best 5 of 8 or dropping your lowest or anything like that. Just 8 weeks, 8 opportunities for points, whoever has the most at the end gets the cash.

Official Points Formula

Number of racers = n

First = n points

Second, Third, etc. = n – (Place – 1)

Ex: Five racers in the Open Men's CX. First gets 5, second gets 4, third gets 3, fourth gets 2, and fifth gets 1
